## Consultant Profile

### Justin Ludcke

Justin has been with The InterSafe Group since submitting his PhD thesis in 2001.

#### Professional Qualifications:

- 2001 Doctor of Philosophy, Queensland University of Technology.
- 1997 Bachelor of Engineering (Medical) (Hons), Queensland University of Technology.

#### Professional Memberships:

- Member of the Institution of Engineers Australia (MIEAust)
- Member of the Ergonomics Society of Australia (MESA)
- Golden Key National Honour Society Member (QUT Branch)

#### Professional Development:

- 2005 PC-Crash Advanced Users Workshop, Linz, Austria. DSD (Dr. Steffan Datentechnik) [4 days].
- 2003 Team Leadership and Team Membership, Mastering Management Pty Ltd [2 days].
- 2002 Certificate IV in Assessment and Workplace Training, Commerce Queensland [5 days].
- 2002 Workplace Health and Safety Officer (WHSO), Commerce Queensland [2 days re-certification].
- 2002 PC-Crash Advanced Users Workshop, Linz, Austria. DSD (Dr. Steffan Datentechnik) [4 days].

Justin graduated with a Bachelor of Engineering (Medical) with First Class Honours in 1997. The Medical Engineering degree provided knowledge into the areas of anatomy, physiology, biomechanics, biomaterials, and mathematical modelling as well as the standard Mechanical Engineering principles of mechanics, dynamics, fluids, materials and design. Justin's PhD project was a practical investigation into the real-world injuries sustained by surf lifesavers who regularly use IRBs as a rescue tool to save lives at Australia's beaches.

Since starting with InterSafe Justin has been

- Investigating incidents and preparing over 200 expert reports for the legal profession.
- Preparing High Risk Management Plans for companies in various industries.
- Performing risk assessments on individual pieces of equipment and work areas for local, national and international companies, in Government and private sectors.
- Conducting slip tests on various objects and surfaces.
